

**A Worship of Writers**  
**An afternoon in God's presence**

- Worship
- Prayer
- Reflection
- Commissioning

Step out in 2024 undergirded by prayer for your writing. Spend time with God goal-setting in order to refine your mission as an author. This coming year, make it a priority to offer your work in words to the Word. Bring a portion of your manuscript if you'd like it prayed over, or a book if you'd like intercession in widening your market.

Writers from several different groups are meeting together with a specific focus on prayer and worship for their work. You don't need to belong to a formal group to join us at:

St Mark's Church  
1073 Waterworks Rd  
The Gap QLD 4061  
Sunday 14 January 2024  
2 pm to 4:30 pm

Please let me know if you are coming for catering purposes.

Blessings  
Grace and peace
